

MONCKTON PROPERTIES AND THE TATTON ESTATE WELCOMES YOU TO KNUTSFORD.

The Tatton Estate is the largest private landowner in Knutsford and the borough of Cheshire East. Over 1,000 people live and work in our buildings. Our clients include Sainsbury's, McLaren, Tesla, Brunning & Price, Edmundson Electric and the BBC.

Family owned, we have longstanding relationships with the local community and are determined to maintain and enhance the area's unique appeal, including much of Knutsford Town Centre such as the Heaths, the Peover Estate and the villages of Rostherne and Bostock Green. In addition, the Tatton Estate also provides over 200 acres of sports, recreation, public open space and community facilities.

The Estate has a number of entities and partners. This leaflet explains who they are and how you can get in touch with them.

Knutsford and the Tatton Estate sit at the heart of the "Northern Powerhouse", uniquely positioned to deliver truly sustainable economic growth. We would like to extend a warm welcome to Knutsford and hope to work with you to make it an even better place to live and work.

TATTON ESTATE MANAGEMENT LTD

Tatton Estate Management (TEM) Ltd was founded in early 2013 to focus on the commercial work of the Tatton Estate. TEM works to deliver genuinely sustainable projects that enhance the local area. At TEM we have been involved in a number of local initiatives and have been proud to support town centre improvements and local events.

In its first year TEM has successfully secured a new nursery school and Brunning & Price pub as community assets for Bostock Green, which is also part of the Estate.
