

STOCK FARM

COMMUNITY CONSULTATION EVENT

Ashley Road, Ashley, WA14 3QF

TEM Planning is currently preparing draft plans on behalf of the owner of Stock Farm to transform the redundant farm buildings into a bespoke wedding, conference and events venue.

The redevelopment has been designed to make the most of the reuse of dilapidated, former agricultural buildings which have recently been subject to vandalism and fire. Detailed consideration is being given to highways, ecology, landscape and noise. The community is welcome to come and talk to us about any of these or other matters.

Open House Consultation

We are holding an afternoon drop in to share an informal exchange of thoughts and ideas over the draft plans and discuss the future of the site and how it might contribute to the local community, including the potential for community facilities and local supplier preference.

Where?

Stock Farm, Ashley Road,
Ashley, Altrincham, WA14 3QF

When?

Tuesday 17th January 2017

Drop in between 2pm and 7pm

The TEM planning team will be on hand to answer any questions.

Alternatively, draft plans can be viewed on our website below by clicking on our consultation tab (available from 17th Jan) or write to us below.
